

**South Staffordshire College**

**Members' Report and Financial  
Statements**

**For the year ended 31 July 2024**

## **Key Management Personnel, Board of Governors and Professional Advisers**

### **Key Management Personnel**

Key management personnel are defined as members of the College Leadership Team and were represented by the following in 2023/24:

C Boliver - Chief Executive and Principal Accounting Officer  
K Hookham - Deputy Chief Executive  
J Snow - Deputy Principal Finance & Resources  
K O'Reilly – Assistant Principal of Human Resources  
K Turley – Assistant Principal of Quality and Curriculum  
K Vaughan – Assistant Principal Learner Services

### **Principal College Address**

South Staffordshire College, Rodbaston Drive, Penkridge, ST19 5PH

### **Board of Governors**

A full list of Governors is given on pages 17-18 of these financial statements.

### **Professional Advisers**

Financial statements and regularity auditor:	Forvis Mazars LLP, Park View House, 58 The Ropewalk, Nottingham, NG1 5DW
Internal auditor:	Validera Unit 3 Crompton Court Attwood Road Burntwood Staffordshire, WS7 3GG
Bankers:	Virgin Money, 133-138 New Street, Birmingham, B2 4JQ  Barclays Bank plc, PO Box 130, Dudley, West Midlands, DY1 1YR
Solicitors:	Pickering & Butters 19 Greengate Street Stafford, Staffordshire, ST16 2LU

Statement of Cash Flows	36
Notes to the Accounts	37

## **Strategic Report**

### **OBJECTIVES AND STRATEGY**

The Governing Body present their annual report together with the financial statements and auditor's report for South Staffordshire College for the year ended 31 July 2024.

#### **Legal Status**

The Corporation was established under the Further and Higher Education Act 1992 for the purpose of conducting South Staffordshire College. The College is an exempt charity for the purposes of Part 3 of the Charities Act 2011. The Strategic Report describes the College's operations and its principal activities.

#### **Mission, Vision, Strategy and Objectives**

The College has a strategic framework which outlines the direction of the College until 2030. The core purpose as approved by its members is to "transform people's lives". The College does this through a set of priorities in order to overcome the significant skills shortages and challenges within the economy and the wider community needs. Our priorities align with national, regional and local needs through continual review of policy and priorities from central government, the Department for Education, Ofqual, Ofsted, our local authorities and councils, local skills improvement groups and stakeholder feedback. The College's Vision 2030: Our Dynamic Plan and Accountability Statement is available on the College website.

The College has established a set of strategic objectives to support the achievement of the College's purpose and vision, these being:

- **Participation**  
Be the first-choice college by meeting the needs of local and regional priorities
- **Provision**  
Deliver demand-led, well sequenced, high quality vocational, technical and professional skills in collaboration with others that lead to sustainable careers and employment
- **People**  
High staff engagement through reward/recognition, development and health/wellbeing interventions
- **Prosperity**  
Remain a financially robust, sustainable and resilient organisation that can continue to develop and invest in its facilities, infrastructure and workforce

#### **Implementation of Strategic Plan**

The College strategic plan was approved by the Board in June 2024 and has been rolled out to staff through a number of channels. The College has increased the visibility of College performance to its staff with half termly meetings at the three main campuses between senior managers and staff. The Corporation also monitors the performance of the College against these objectives and the KPIs linked to them.

#### **Resources**

The College has various resources that it can deploy in pursuit of its strategic objectives.

The College employs 635 people, of whom 349 are teaching staff.

The College enrolled 5,465 students in 2023/24. The College's student population includes 2,991 16-to-18-year-old students, 697 apprentices, 116 higher education students, and 1,777 adult learners.

The College has £21,385,000 of net assets and debt of £1,181,000. Tangible resources include the four main College sites located in Rodbaston, Tamworth, Lichfield and Cannock. The College also operates on a leased basis at TORC. TORC is a satellite centre based in Tamworth which provides Construction and Futures (SEND) provision.

## **Strategic Report - Continued**

### **Resources - continued**

The College has £21,385,000 of net assets and debt of £1,181,000. Tangible resources include the four main College sites located in Rodbaston, Tamworth, Lichfield and Cannock. The College also operates on a leased basis at TORC. TORC is a satellite centre based in Tamworth which provides Construction and Futures (SEND) provision.

The College has a good reputation locally and was successful in securing investment from regional Local Enterprise Partnerships, while still in existence, to improve College facilities to enable growth in key priority skills areas. Maintaining a quality brand is essential for the College's success at attracting students and employers and enhancing external relationships.

### **STAKEHOLDERS**

The College has many stakeholders including:

- Its current, future and past students,
- Its staff and their trade unions,
- The employers it works with,
- The professional organisations in the sectors where it works,
- Its partner schools and universities; the wider College community,
- Its local councils, local authorities and mayoral authorities and the Staffordshire Chamber of Commerce.

### **PUBLIC BENEFIT**

South Staffordshire College is an exempt charity under the Part 3 of the Charities Act 2011 and is regulated by the Secretary of State for Education. The members of the Governing Body, who are trustees of the charity, are disclosed on page 17 to 18.

In setting and reviewing the College's strategic objectives, the Governing Body has had due regard for the Charity Commission's guidance on public benefit and particularly upon its supplementary guidance on the advancement of education.

In 2023/24 the College delivered to 5,465 students, including 449 students with high needs (2022/23: 370). The College provides courses without charge to young people, to those who are unemployed and adults taking English and maths courses. The College adjusts its courses to meet the needs of local employers and this will be particularly important as the economy recovers over the next few years. The College provides training to 697 apprentices. The College is committed to providing information, advice and guidance to the students it enrolls and to finding suitable courses for as many students as possible regardless of their educational background.

In delivering its mission, the College provides the following identifiable public benefits through the advancement of education:

- Widening participation and tackling social exclusion,
- Excellent progression and employment record for students,
- Very strong student support systems,
- Links with employers, industry and commerce,
- Links with Local Authorities, Local Councils and Mayoral Authorities.

## Strategic Report - Continued

### DEVELOPMENT AND PERFORMANCE

#### Financial Results-

The College made an operating surplus before gains on disposal of assets and actuarial gains in respect of pension schemes for the period ended 31 July 2024 of £1,908,000 (2022/23: surplus £421,000).

The College has accumulated positive reserves of £21,385,000 (2022/23: £19,586,000 positive reserves) and a net cash balance of £7,109,000 (2022/23: £6,429,000).

Tangible fixed asset additions during the year amounted to £12,056,000 of which £1,110,000 was invested in equipment, £456,000 was invested in building works and £10,490,000 was spent on the development costs of the new Tamworth Campus relocation project.

#### Developments

The College received a full Ofsted inspection in April 2024 and was pleased that the "Good" outcome reflected the hard work done by the College to improve. The College received "Good" grades across all of its sub-grades which was especially pleasing for Apprenticeships, where the College has worked very hard to make improvements. The Inspection grade was confirmed and publicised on the 14<sup>th</sup> May 2024.

The project to build the new Tamworth Campus is well underway and expected to be complete in April 2025. The programme for the project has been delayed and the College expects to operate fully from the site from September 2025. The project is funded by grants from the DFE FE Capital Transformation Fund alongside Future High Street Fund grants from Tamworth Borough Council. The current Tamworth site was sold to Homes England in March 2023. The College will continue to operate at the current site under a lease agreement with Homes England until the new site is ready.

The College used a grant from Stoke and Staffs Local Enterprise Partnership to develop a Net Zero Energy Training Centre at the Rodbaston Campus which will equip a future generation of students with green building skills in the construction sector. The centre opened in June 2024 and is already delivering new skills to the College's learners.

The College was successful in its T Level Capital Funding application for Animal Care at Rodbaston which has seen the demolition of an old building and replacement with a modern teaching block for Level 3 Animal Care learners. The programme for this building has also been delayed but the centre will open in November 2024.

#### Financial Reserves

The College has accumulated reserves of £21,385,000 and cash and short-term investment balances of £12,109,000. These reserves enable it to continue to implement its longer-term strategy, deal with unforeseen financial pressures and allows affordable investments to be made. The reserves of cash are particularly important as the College manages the major capital redevelopment in Tamworth and considers other Property Strategy improvements. Annually, the College looks to increase its reserves to enable further developments to be implemented particularly in the development of resources for learners.

#### Sources of Income

The College has significant reliance on the education sector funding bodies for its income, largely from recurrent grants. In 2023/24 the FE funding bodies provided 80.9% of the College's total income.

## Strategic Report - Continued

### FUTURE PROSPECTS

#### Future Developments

The College would like to reduce dependency on the funding bodies and is seeking opportunities to grow and diversify its income, particularly in the areas where the College currently performs well. Apprenticeship provision has seen a strong increase in its achievement rates and the College is satisfied that this provides a good basis to expand its apprenticeship provision in terms of breadth and volume. Adult skills training generally remains a focus for the College particularly where this is linked to employers.

The College, with the support of capital grants from the DFE and Tamworth Borough Council is relocating its Tamworth Campus into Tamworth town centre with teaching starting, in full, from the new site by September 2025. The current site has been sold to Homes England for residential development. The College has also completed its review of the Rodbaston and Lichfield sites, both of which have experienced significant growth. The Rodbaston Campus still has a high proportion of poor quality accommodation and the College has already started the first phase of improvements and curriculum reorganisation at the Lichfield Campus. The College is also concerned that it will soon run out of teaching space at its Cannock Campus.

The College continues to review its Property Strategy which will lead to medium to long term investment in the College's properties. The Property Strategy will take account of the changing curriculum requirements in each of the College's geographical markets and seek to provide outstanding facilities for learners and staff alike. This will incorporate the masterplan for the Rodbaston Campus which will result in a consolidation of properties, improvements to access and better commercial areas. There will also be a review of the wider land use at the site. The recommendations from the review of the Lichfield Campus will also be included.

After reviewing all assets, the Corporation agreed in summer 2019 to dispose of eight residential properties that were 'non-core' assets. This left the College with an asset reserve of additional cash reserves (£1,851,000). The Corporation receives regular reports through the management accounts on the cash proceeds and how the proceeds are being spent or preserved. The College is also holding the £6,000,000 proceeds from the sale of the current Tamworth Campus ready for reinvestment into the new College site.

#### Financial Plan

The College governors approved a two-year financial plan in July 2024 which sets objectives for the two-year period to 2026. The forecast is underpinned by a number of financial aims and objectives.

#### Financial Aims and Objectives

- To hold a minimum Financial Health grade of 'Good' (DFE measures).
- Continue the positive financial performance of the College and generate cash for reinvestment.
- Maintain pay costs to 69% of income.
- Reduce borrowing and increase cash levels.
- Increase investment in facilities, resources and systems.

#### Financial Objectives

The College's financial objectives are:

- Adjusted current ratio in excess of 2.0,
- EBITDA measure as a percentage of income in excess of 7%,
- Long term borrowing compared to adjusted income at less than 5%,
- Pay costs as a percentage of adjusted income of less than 69%,
- Positive cash generation.

## **Strategic Report - Continued**

### **Treasury Policies and Objectives**

The College has treasury management arrangements in place to manage cash flows, banking arrangements and the risks associated with those activities. All borrowing requires the authorisation of the Corporation.

### **Cash Flows and Liquidity**

During the year there was a net cash inflow of £682,000 (2022/23 cash inflow £2,035,000). The College has unspent grants at year end including a large portion of the £1,587,000 T Level Special Equipment Allocation (SEA) Fund and £201,000 of FE Capital Transformation Funds. Of the £6,000,000 of capital receipts from the sale of the Tamworth Campus, £5,000,000 has been placed in medium term investments.

### **Going Concern**

The activities of the College, together with the factors likely to affect its future development and performance are set out in the Strategic Report. The financial position of the College, its cashflow, liquidity and borrowings are presented in the Financial Statements and accompanying Notes.

The going concern situation is relatively straightforward for 2023/24:

- The economic environment is less hostile with inflation falling and, in particular, energy costs reducing from the high levels seen since the Ukraine invasion in 2022. The College received additional 16-18 funding at two points in the 2023/24 financial year and it is likely that the College will receive additional 16-18 funding for in year growth in the current financial year.
- The Tamworth Relocation Project is a substantial financial undertaking, and although the funding of the project is in place the project is still the subject of programme delays and it is likely that the budget for the project will be exceeded by an amount up to £400,000. In its July 2024 financial forecast, the College modelled a sensitivity showing a £500,000 overspend on the project which had minimal impact on financial health and covenant compliance, and therefore little impact on going concern.
- College property at Rodbaston, Lichfield and TORC needs financial investment to improve run down or spatially inefficient building. All campuses are experiencing a shortage of space due to the rapid increase in 16-18 learner numbers. Much of this expenditure is already factored into medium term financial forecasts.
- The combined effects of these situations were predominantly included in the July 2024 financial forecast and therefore the College is not expecting to have any concerns around financial health or bank covenant compliance in 2023/24 or 2024/25.

However, the College is well placed to withstand these issues because:

- The College has good levels of cash and relatively low levels of borrowing at around 5.7% of income.
- The forecast for 2024/25 continues to show that, on an operating level, the College is performing well and has maintained its budget position.
- The College is experiencing higher than expected levels of growth in 16-18 learners which will increase funding further in 2025/26 and may result in a substantial amount of in-year 16-18 funding in 2024/25. 16-18 funding is the only area of funding where there is a commitment to increase funding rates by the government.

The positive financial performance in 2023/24 allowed the College to make a good pay award to staff and allowed decisions to be made regarding the investment in upgraded networking and property improvements at Lichfield Campus as well as improving the quality of the College's IT network and hardware infrastructure. The positive financial forecasts for 2024/25 and 2025/26, which will be further boosted by the strong enrolment of 16-18 learners in 2024/25 will allow the College to invest further and remain on top of its longer-term property and equipment investment requirements.

## Strategic Report - Continued

### Going Concern - continued

The announcement in the October 2024 Budget that an additional £300 million of revenue funding and £950 million of capital funding would be directed to the FE sector was welcome but the detail of how it is allocated to colleges will dictate how significant this will be for the College. The announcement that the increased cost of national insurance contributions will be supported by government is also welcome news.

Therefore, at an operating level, the College is performing satisfactorily. It has good levels of cash and has an "Outstanding" financial health rating in 2023/24. At 31 July 2024 the College had not breached the financial covenants of Barclays Bank and it is not forecast that there will be any future breach. Accordingly, the College has a reasonable expectation that it has adequate resources to continue in operational existence for the foreseeable future, and for this reason will continue to adopt the going concern basis in the preparation of its Financial Statements.

### Reserves

The College has Reserves Policy which is reviewed annually and as part of the Statement of Recommended Practice for charities, the College is required to include a statement in the Financial Statements on its Reserves Policy. The College recognises the importance of reserves for the financial stability of the organisation and ensures that there are adequate reserves to support the College's core activities. As at the balance sheet date the Income and Expenditure reserve stands at a positive value of £17,693,000 (2022/23: positive £15,486,000) and cash balances stand at £12,109,000 including short term investments. It is the Corporation's intention to increase reserves over the life of the strategic plan through the generation of annual operating surpluses.

The College Reserves Policy is based on the following principles:

- To maintain sufficient reserves to enable the College to meet its charitable purpose and continue to provide a public benefit to current beneficiaries,
- To balance the expenditure of income on current beneficiaries against ensuring that facilities and services have sufficient investment to improve and endure for future beneficiaries,
- To maintain a level of reserves that are prudent for the College to be considered a going concern but may include non-expendable reserves such as reserves applied to tangible fixed assets and reserves designated for or restricted to a certain purpose.

When looking at the level of reserves the College will consider the following:

- Cash Balances - amounts held in cash and short-term investments at the end of a financial accounting period.,
- Net assets – total of restricted and non-restricted assets.

The general principal of maintaining reserves is to

- Retain a minimum of 35 days of cash reserves (including cash investments) after the deduction of unspent capital grants and other specified cash reserves. 35 cash days being the FE Commissioner baseline of 25 days plus a safety cushion of 10 days,
- Retain reserves equivalent to at least 50% of annual projected turnover (Adjusted Income as per DFE calculations) for the current financial year.

### Bank Covenants

The 2022/23 covenants had no breaches and covenants have performed well in the 2023/24 financial year. The College completed the repayment of Virgin Money debt before year end and therefore their financial covenants are no longer relevant. The debt service covenants in the 2023/24 and 2024/25 financial years were particularly affected by the investment in the Tamworth Relocation Project. A variation agreement with Barclays provides support with covenants during the construction phase of the Tamworth New Build. The College is covenant compliant for 2023/24 based on the most recent forecast and is covenant compliant in 2025/26 based on the Three Year Forecast submitted in July 2024.

## Strategic Report - *Continued*

### Bank Covenants - *continued*

Bank Covenants	Measure	2023/24	2024/25	2025/26
<b>Barclays Bank</b>				
Debt Service Cover	>100%	1,082%	395%	139%
Operational Leverage	<375%	32%	106%	91%
Cash Levels	>£1,700,000	£7,109,000	£5,201,000	£5,399,000

The College requested the draw down of the £1,500,000 facility from the Department for Education in October 2024 but this loan facility has no financial covenants.

The Corporation considers that the College has adequate liquid resources and reserves (including property portfolio) to continue operations for the foreseeable future. The Executive Leadership Team is acting to improve efficiency in the longer term by controlling costs and increasing income. Careful management of costs and planning of capital expenditure will mean the College will have sufficient cash to manage through this period based on the latest projections. These projections include the full costs and grant income for the Tamworth Relocation Project which is a substantial project with total costs of £32,691,000. For these reasons, the College continues to adopt the going concern basis in preparing the financial statements.

## PRINCIPAL RISKS AND UNCERTAINTIES

### Risk Management

The College has developed strategies for managing risk and strives to embed risk management in all that it does. Risk management processes are designed to protect its assets, reputation and financial stability.

The Board has overall responsibility for risk management and its approach to managing risks and internal controls is explained in the Statement on Corporate Governance.

A corporate risk register is maintained which is reviewed at each meeting by the Audit Committee and at subsequent Corporation meetings by the Board. The risk register identifies the key risks, the likelihood of those risks occurring, their potential impact on the College and the actions being taken to reduce and mitigate the risks. Risks are prioritised using a consistent scoring system. The College also completes an annual review of risk management and control, which is reviewed by the Audit Committee and Corporation alongside the annual financial statements.

The main risk factors affecting the College are outlined below along with the action taken to minimise them. Not all the factors are within the College's control. Other factors besides those listed below may also adversely affect the College.

1. Failure to maintain the financial viability of the College in the face of high inflation, high energy costs and high pay demands

The College's financial health grade based on its 2023/24 financial statements is classified as "Outstanding" but is expected to remain as "Good" for the foreseeable future. However, the financial outlook for colleges continues to be difficult with the multiple effect of:

- The Government have signalled that public finances are not strong and that difficult financial decisions will need to be made. The recent budget allocated more revenue funding for college through the Department for Education but only enough to keep pace with increasing volumes, it seems. Some capital funding was allocated but it is unclear how this will be shared out.

## Strategic Report - *Continued*

### Risk Management - *continued*

- Increase in salary demands to recruit and retain staff across all parts of the College but particularly teaching and assessing staff. Teaching staff in schools have accepted a 5.5% pay award for 2024/25 and unlike last year, the government has not given the FE sector additional funds to award a similar pay award to their staff. This leaves colleges under pressure to at least match this amount from their own budgets and reserves to ensure that the gap in salaries between schools and colleges does not widen further.

The College has identified the risks to its property strategy as a major risk to its future operations. Not only does the College have some poor quality accommodation, particularly at Rodbaston, it is also running short on space to deliver teaching and learning, particularly at Cannock. The College has around 450 more 16-18 learners than in September 2023 and this will ultimately lead to learners being turned away.

The College will continue to monitor its financial forecasts and review financial health position with the DFE. The College will also review compliance with banking covenants and maintain close communications with all three of banks. The College will also look to support any lobbying activity which is requesting that the DFE or the government provide similar financial support to colleges to help with additional operating costs in the future particularly around salary and pension costs.

#### 2. Transition to T-Levels

The College has considerable reliance on 16-18 funding through the DFE and has a good proportion of learners undertaking Level 3 provision. The Conservative government were pushing the T-Level agenda in colleges in particular as a replacement for the more traditional BTEC type provision at Level 3, but this transition has been paused by the Labour government pending a further review. The additional funding and investment in equipment for colleges is welcome however participation is not strong, with the reduction in GCSE pass rates in August 2024 has again highlighted the risks of school leavers having the necessary grades to enrol on and flourish on T level qualifications. This will lead to certain learners having their learning pathway blocked with no alternative options to achieve relevant qualifications.

This risk is mitigated in a number of ways:

- Funding is derived through a number of direct and indirect contractual arrangements.
- Regular dialogue with the DFE funding body.
- By reshaping structures and provision to meet changing needs.

#### 3. Staff resourcing while experiencing difficulties in recruiting and retaining staff

The College, along with other education providers and the wider UK economy, has experienced difficulties in recruiting to a range of positions in both teaching and support roles. The funding income offered to colleges means that the sector cannot compete against other private sector employers, particularly with support staff and with staff who teach traditional trades such as electrical engineering. The variance in teaching salaries between schools and colleges also presents problems. The College has had to rely on agency staffing in many areas and has had long periods with understaffing in other areas. The problem has particularly affected the delivery of apprenticeship provision. This risk is mitigated in a number of ways:

- By using agency staffing to cover vacancies particularly in teaching areas.
- By trying to improve pay levels where the restrictions of the FE college funding model allows.
- Advertising and promoting other employer benefits such as extra holidays and flexible working.
- Reviewing workloads and finding more efficient processes so that staff are able to work with less pressure and stress.

## **Strategic Report - *Continued***

### **Risk Management - *continued***

#### 4. The quality of provision and the improvement in outcomes

In line with the majority of other colleges, South Staffordshire College saw a fall in achievement rates in 2022/23. However achievement rates have generally recovered in 2023/24 and progress was noted by the April 2024 Ofsted Inspection. Apprenticeship rates have also increased significantly in 2023/24. The risk that achievement rates improvements are not maintained is mitigated in a number of ways:

- By ensuring the College is rigorous in delivering high quality education and training, and the quality of teaching and training is also high.
- By completing a thorough and impartial College self assessment review (SAR) which highlights strengths and weaknesses, and explains how the weaknesses will be addressed.
- Assessing where particular improvement needs to be made when national averages are available in 2024.
- The introduction of more support for learners so that they are able to stay in College for the full year and reach their potential when undergoing assessments.

#### 5. Tamworth Capital Development

The Tamworth Relocation Project is the largest capital project that the College has undertaken for some time. The £32,691,000 project is mostly funded by capital grants from the DFE and Tamworth Borough Council, plus the sale of the current campus to Homes England. The final part of the required funding was a £1,500,000 DFE capital loan which has been approved by the DFE. The College is currently awaiting the drawdown of this loan.

At the time of writing, a main contractor is well advanced on the construction phase of the project and a handover date of 7<sup>th</sup> April 2025 has been agreed. The main financial risk associated with the project is:

- The project runs over budget and the College has to use its own cash reserves to make up the balance of the funding for the project.

Although the College does have some cash reserves, it would be preferable to maintain cash balances for future projects and investments particularly at other sites such as Rodbaston and Lichfield. To mitigate this risk, the college has employed expert project management and client support services to ensure that it has control and understanding of all situations and decisions. The project managers have already pushed back against the contractor a number of times when additional costs were threatened. In addition, the College has a contingency budget as part of the overall build plan to cover the costs of any additional financial requirements.

- The project runs over time and the College then cannot operate from the site from April 2025 as planned.

This is of particular concern to the College as the programme has already been delayed for a number of reasons. The College has a limited number of windows during which to move from its current campus to the new building, these being the quiet summer months and the Christmas break. Any move at Easter is filled with risk as learners return from Easter to the main exams and assessment period.

#### 6. Capacity at the College Campuses

The College has experienced significant growth in its 16-18 year old population in the last two years, growing from an initial allocation of 2,629 in 2023/24 to approximately 3,440 learners in November 2024. This rapid growth was higher than anticipated in both 2023/24 and 2024/25 and has created a number of issues for the College, including the ability to source good quality lecturers and the need to invest in additional resources including IT devices and classroom furniture. Although teaching staff and resources can be added relatively quickly, increasing the size of campuses to cope with the influx of learners is more difficult to manage. Increasing capacity takes time and significant sums of money, and with no capital funds available in recent years, and with the large financial commitment of the new Tamworth Building, additional capacity cannot be created.

## Strategic Report - *Continued*

### Risk Management - *continued*

The space issue is particularly acute at the College's Cannock Campus and will also be problematic in future years at the new Tamworth Campus, as the building was designed based on learner numbers in 2021/22, before the rapid growth seen in recent years. Small scale changes have been made at Lichfield to organise space more efficiently, and Rodbaston has seen some investment via Local Authorities and DFE T Level Capital funds which has relieved some of the pressure. The College has also restructured its working week to create more teaching hours. However, the concern remains that if growth continues at the current rate, the College will need to restrict the number of learners it enrolls which will inevitably mean that some young people will miss out on educational opportunities.

### KEY PERFORMANCE INDICATORS

#### Financial Performance Indicators

South Staffordshire College set financial objectives for the year ending 31 July 2024 in its budget and three-year forecast produced in July 2024. Performance indicators have been agreed to monitor the implementation of the objectives. These are listed below along with performance for the year to July 2024:

Income & Expenditure	31 July 2024 £'000s	23/24 Budget £'000s
Operating income	£33,514	£29,939
Operating expenditure	£31,607	£30,239
<b>College operating surplus/(deficit)</b>	<b>£1,907</b>	<b>(£300)</b>
Restructuring costs	(£9)	(£100)
Pension adjustments (service cost and interest)	£1,030	(£2,283)
Pension adjustments (actuarial adjustment)	(£1,030)	-
Loss on disposal of assets	(£99)	-
<b>Comprehensive Income</b>	<b>£1,799</b>	<b>(£2,683)</b>

Performance Indicators	31 July 2024	23/24 Budget
Comprehensive income/(loss) for the year (£000s)	£1,799	(£2,683)
Operating surplus/(deficit)	£1,907	(£300)
EBITDA as a % of adjusted income – education specific	8.6%	3.4%
Adjusted cash days in hand	88	67
Adjusted current ratio	2.07	1.79
Total borrowing as a % of adjusted income	3.6%	4.2%
Staff costs (incl. contracting/excl. restructure) as % of income	67.7%	71.4%
Financial Health	Outstanding	Good

The College is committed to observing the importance of sector measures and indicators including the use of FE Commissioner targets. The College is required to complete the annual Finance Record for the DFE. The College is assessed by the DFE as having a "Outstanding" financial health grading based on its 2023/24 finance record but will have "Good" financial health in 2024/25 and the foreseeable future.

## Strategic Report - *Continued*

### Financial Performance Indicators - *continued*

Financial Results	31 July 2024 £'000s	23/24 Forecast £'000s	Variance £'000s
<b>Comprehensive Income/(Deficit) for the Year</b>	<b>£1,799</b>	<b>(£1,283)</b>	<b>£3,082</b>
Add: Redundancy	£9	£100	(£91)
Add: Disposal of assets	£99	£100	(£1)
Add: Actuarial pension adjustment	£1,030	-	£1,030
Less: Pension finance interest income	(£832)	£277	(£1,109)
Less: Pension service income	(£198)	£2,006	(£2,204)
<b>Operating Surplus</b>	<b>£1,907</b>	<b>£1,200</b>	<b>£707</b>

The table above compares the final forecast out-turn published in July 2024 with the final audited financial statements approved in December 2024.

The comprehensive Income position reported in these financial accounts is £3,082,000 favourable to the July 2024 forecast, however when pension finance costs, redundancy and accelerated depreciation are set aside, the operating surplus is £707,000 better than forecast.

### Student Achievements

Headline achievement rates including English and maths have improved by 2.6% to 84.8% in 2023/24. Achievement for 16-18 programmes improved from 81.6% to 84.5%. Achievement for Adult programmes increased from 83.1% to 85.3%. Retention rates increased for all learners from 87.6% to 90.0%, with 16-18 learners increasing from 88.0% to 89.6% and Adults increasing from 87.0% to 90.9%. Overall pass rates also increased from 93.8% to 94.1%.

For Apprenticeship provision there was a significant increase in overall achievement rates to 55.7% from 66.3%. The improvements reflect the large amount of internal and external effort and resource provided by the College to drive improvements.

## OTHER INFORMATION

### Equality, Diversity and Inclusion

The College is committed to ensuring equality of opportunity for all who learn and work here. We respect and value positively differences in race, gender, sexual orientation, ability, class and age. We strive vigorously to remove conditions which place people at a disadvantage, and we will actively combat bigotry. This policy will be resourced, implemented and monitored on a planned basis.

The College is currently working through the steps to achieve Investor in Diversity status. The College's Equality, Diversity and Inclusion Policy is published on the College's internet site. All staff are mandated to undertake regular equality and diversity training.

The College considers all employment applications from disabled persons, bearing in mind the aptitudes of the individuals concerned, and guarantees an interview to any disabled applicant who meets the essential criteria for the post. Where an existing employee becomes disabled, every effort is made to ensure that employment with the College continues. The College's policy is to provide training, career development and opportunities for promotion which, as far as possible, provide identical opportunities to those of non-disabled employees.

## Strategic Report - Continued

### Equality, Diversity and Inclusion - continued

The College publishes an Annual Equality, Diversity and Inclusion Report and which includes objectives to ensure compliance with all relevant equality legislation including the Equality Act 2010. The College undertakes equality impact assessments on all new policies and procedures and publishes the results. Equality impact assessments are also completed for existing policies and procedures on a prioritised basis.

#### Disability Statement

The College has achieved Disability Confident Leader accreditation status, and seeks to achieve and exceed the objectives set down in the Equality Act 2010:

- a. The College has accessible buildings at its various campuses. The College successfully secured capital funding to develop the Futures Centre for SEND learners at its Rodbaston Campus.
- b. The College makes its website as accessible as possible and works with learners to further improve its accessibility and ease of use.
- c. The College has a Student Support Team who can provide information, advice and arranges support where necessary for students with disabilities.
- d. There is a list of specialist equipment, such as radio aids, which the College can make available for use by students and a range of assistive technology is available in the learning centres.
- e. The admissions policy for all students is described in the College charter. Appeals against a decision not to offer a place are dealt with under the complaints policy.
- f. The College has made a significant investment in the appointment of specialist lecturers to support students with learning difficulties and/or disabilities. There are several student support assistants who can provide a variety of support for learning. There is a continuing programme of staff development to ensure the provision of a high level of appropriate support for students who have learning difficulties and/or disabilities.
- g. Specialist programmes are described in College prospectuses, and achievements and destinations are recorded and published in the standard College format.
- h. Counselling and welfare services are described in the College Student Guide, which is issued to students together with the Complaints and Disciplinary Procedure leaflets at induction.

#### Trade Union Facility Time

The Trade Union (Facility Time Publication Requirements) Regulations 2017 require the College to publish information on facility time arrangements for trade union officials at the College.

	Employees
Employees who were relevant union officials during the period	2
FTE employees who were relevant union officials during the period	0.1

Percentage of time	Employees
0%	0
1-50%	2
51-99%	0
100%	0

Proportion of Pay Bill Spent on Union Time	£'000s
Total cost of facility time	£4,966
Total pay bill (less pension service costs)	£20,296,378
Percentage of total bill spent on facility time	0.024%

Time spent on paid trade union activities as a percentage of total paid facility time	4.08%
---	-------

## **Strategic Report - Continued**

### **Payment Performance**

The Late Payment of Commercial Debts (Interest) Act 1998, which came into force on 1 November 1998, requires Colleges, in the absence of agreement to the contrary, to make payments to suppliers within 30 days of either the provision of goods or services or the date on which the invoice was received. The target set by the Treasury for payment to suppliers within 30 days is 95%. The College is committed to paying all suppliers within the timescales provided it is satisfied that goods and services have been provided in accordance with the agreed terms and conditions.

### **Disclosure of Information to Auditors**

The members who held office at the date of approval of this report confirm that, so far as they are each aware, there is no relevant audit information of which the College's auditors are unaware and each member has taken all the steps that he or she ought to have taken to be aware of any relevant audit information and to establish that the College's auditors are aware of that information.

Approved by order of the members of the South Staffordshire College Corporation on 16 December 2024 and signed on its behalf by:

M Rowley  
*Chair of the Corporation*

## Statement of Corporate Governance and Internal Control

### Governance Statement

The following statement is provided to enable readers of the annual report and accounts of the College to obtain a better understanding of its governance and legal structure. This statement covers the period from 1 August 2023 to 31 July 2024 and up to the date of approval of the annual report and financial statements.

The College endeavours to conduct its business:

- i. in accordance with the seven principles identified by the Committee on Standards in Public Life (selflessness, integrity, objectivity, accountability, openness, honesty and leadership) and
- ii. in full accordance with the guidance to Colleges from the Association of Colleges in The Code of Good Governance for English Colleges ("the Code")

The College is committed to exhibiting best practice in all aspects of corporate governance and in particular the Board has adopted and complied with the Code, which it formally adopted from 1 August 2015.

In the opinion of the Governors, the College complies with all the provisions of the Code, and it has complied throughout the year ended 31 July 2024. The Governing Body recognises that, as a body entrusted with both public and private funds, it has a particular duty to observe the highest standards of corporate governance at all times.

### The Corporation

The members who served the Corporation during the year and up to the date of signature of this report were as listed in the table below:

Name	Date of Appointment	Term of Office	Date Resigned	Status of Appointment	Committees Served	Attendance in 2023/24

Jo Hutchison acted as Head of Governance to the Corporation for South Staffordshire College for the full period of these financial statements. During the year 2023/24 the Head of Governance successfully completed the AoC / ETF Governance Professionals' Development Programme – Induction and Mentoring.

## **Statement of Corporate Governance and Internal Control - *Continued***

### **The Corporation - *continued***

Beth Selwood is a co-opted governor who sits on the College Curriculum & Quality Improvement Group. Stephen Davies is a co-opted member of the Audit Committee. Student and Staff Governors attend the Curriculum & Quality Improvement Group but are not voting members.

It is the Corporation's responsibility to bring independent judgement to bear on issues of strategy, performance, resources and standards of conduct.

The Corporation is provided with regular and timely information on the overall financial performance of the College together with other information such as performance against funding targets, proposed capital expenditure, quality matters and personnel related matters such as health and safety and environmental issues. The Corporation has met on eight occasions throughout 2023/24.

During the 2022/23 financial year, the Corporation commissioned an External Governance Review and appointed the Association of Colleges (AoC) to undertake that review.

The Review was conducted over the period March to May 2023 and was conducted against the published AoC framework for FE College External Board Reviews. The External Reviewer reported her findings to the Governance & Search Committee in May 2023. The final Report with the External Reviewer's conclusions was presented to the Board of Governors at its meeting in July 2023. The overall conclusion from the External Review on Board effectiveness is that:

**“There is strong evidence that the Board is highly proficient and consistently impacts positively on College strategy, effectiveness and outcomes.”**

The External Review made five recommendations, which are set out below, and which became the basis of the Action Plan which is being monitored by the Governance & Search Committee.

1. Review how to better integrate the staff and student governors in all meetings
2. Ensure those attending remotely have equal access to meeting discussions and questioning
3. Review the schedule of work for meetings to allow for more strategic discussion
4. Introduce more reference to the statutory responsibility over meeting skills needs
5. Introduce mentoring for new governors on appointment as part of induction

The implementation of the above actions has been overseen by the Governance & Search Committee during the 2023/24 academic year.

The Corporation conducts its business through a number of committees. Each committee has terms of reference, which have been approved by the Corporation. These committees are Governance & Search, Remuneration and Audit. The Board also has three less formal governor groups overseeing the College's financial position, the quality of educational provision and the relocation of the Tamworth Campus. Full minutes of all Corporation and Audit Committee meetings, except those deemed to be confidential by the Corporation, are available on the College's website at [www.southstaffs.ac.uk](http://www.southstaffs.ac.uk) or from the Head of Governance to the Corporation at: South Staffordshire College, Rodbaston Campus, Penkrige, Staffs, ST19 5PH.

The Head of Governance to the Corporation maintains a register of financial and personal interests of the governors. The register is available for inspection at the above address.

All governors can take independent professional advice in furtherance of their duties at the College's expense and have access to the Head of Governance to the Corporation, who is responsible to the Board for ensuring that all applicable procedures and regulations are complied with. The appointment, evaluation and removal of the Head of Governance are matters for the Corporation as a whole.

Formal agendas, papers and reports are supplied to governors in a timely manner, prior to Board meetings. Briefings are also provided on an ad-hoc basis.

## **Statement of Corporate Governance and Internal Control - *Continued***

### **The Corporation - *continued***

The Corporation has a strong and independent non-executive element and no individual or group dominates its decision-making process. The Corporation considers that each of its non-executive members is independent of management and free from any business or other relationship which could materially interfere with the exercise of their independent judgement.

There is a clear division of responsibility in that the roles of the Chair of the Corporation and Chief Executive Principal of the College are separate.

### ***Appointments to the Corporation***

There are currently places for 18 members of the Corporation including the Chief Executive Principal, two governors nominated by the College staff and two governors nominated by the students. Any new appointments to the Corporation are made by the Corporation as a whole. The Corporation has a Governance & Search Committee which is responsible for the selection and nomination of any new member for appointment by the Corporation.

The Corporation's policy on the selection of members is available on the College website. The Corporation is responsible for ensuring that appropriate training is provided as required. The Remuneration Committee was introduced to review senior post holder remuneration and performance in response to the AoC's Senior Post Holder Remuneration Code.

Members of the Corporation are appointed for a term of office not exceeding four years in accordance with the recommendations of the Committee on Standards in Public Life. The Corporation maintains a skills audit of members and seeks to ensure that a wide range of skills, expertise and diversity is present amongst governors to encourage effective challenge and scrutiny of management plans and actions.

### ***Corporation performance***

The Corporation met eight times during the year and have overseen a variety of complex issues such as the oversight of progress towards relocating the Tamworth Campus into Tamworth town centre, plus other capital projects in Rodbaston and oversight of the work to improve quality standards in the College's Apprenticeship delivery. The Corporation has contributed to the strategy document that will take the College forward to 2030. As part of this, the Corporation regularly review a set of agreed KPIs to assess the performance of the College.

In addition to the External Governance Review which was undertaken last year, the Corporation reviewed its own performance and agreed actions to continue to improve on its overall good performance.

### ***Governance & Search Committee***

The Governance & Search Committee comprises six members of the Corporation, including the Chief Executive Principal and the Support Staff Governor. The Committee operates in accordance with written terms of reference approved by the Corporation. Its purpose is to advise the Corporation on the appointment, re-appointment and development of governors as well as succession planning of governors and to consider all aspects of good governance in relation to this. The Committee also oversees regular self-assessment processes and any external reviews commissioned by the Corporation. In addition the Committee has a role in planning and overseeing the how well the College's training and education meets local needs.

The Committee met three times during the academic year and is responsible for ensuring that appropriate training is provided for Corporation members.

## Statement of Corporate Governance and Internal Control - *Continued*

### **Remuneration Committee**

The Remuneration Committee comprises of four members of the Corporation. The Committee meets at least once per academic year and operates in accordance with written terms of reference approved by the Corporation. In 2023/24 the Committee met once. Its purpose is to advise the Corporation on the remuneration of senior post holders, including the Chief Executive Principal, the Deputy Chief Executive, Deputy Principal Finance & Resources and the Head of Governance to the Corporation as well as reviewing their performance.

The Committee's policy on the remuneration of senior post holders within the remit of the Remuneration Committee, inclusive of detail on the income derived from external activities, is publicly available via the College website.

Details of remuneration for the year ended 31 July 2024 are set out in Note 7 to the financial statements.

### **Audit Committee**

The Audit Committee comprises five members of the Corporation (excluding the Chief Executive Principal and Chair). The Committee operates in accordance with written terms of reference approved by the Corporation. Its purpose is to advise the Corporation on the adequacy and effectiveness of the College's assurance arrangements, framework of governance, risk management and control processes for the effective and efficient use of resources, the solvency of the institution and the safeguarding of its assets.

The Audit Committee met five times during the 2023/24 financial year including an extra meeting to confirm a new Internal Audit Service provider. The Committee provides a forum for reporting by the College's internal and financial statement auditors, who have access to the Committee for independent discussion, without the presence of College management. The Committee also receives and considers reports from the FE funding bodies, as they affect the College's business.

The College's internal auditors review the systems of internal control, risk management controls and governance processes in accordance with an agreed plan of input and report their findings to management and the Audit Committee. Management is responsible for the implementation of agreed audit recommendations and internal audit undertake periodic follow up reviews to ensure such recommendations have been implemented.

The Audit Committee also advises the Corporation on the appointment of internal and financial statements auditors and their remuneration for both audit and non-audit work as well as reporting annually to the Corporation.

### **Finance Group**

This Group operates in accordance with written terms of reference approved by the Corporation. Its purpose is to advise the Corporation on the financial performance of the College and also to recommend for approval items such as the Financial Regulations and the annual financial statements. The membership comprises of five members of the Corporation and met four times during the year.

### **Curriculum and Quality Improvement Group**

This Group operates in accordance with written terms of reference approved by the Corporation. Its purpose is to advise the Corporation on the quality of the College's curriculum, teaching and assessment and also to recommend for approval items such as the Curriculum Strategy and the annual College Self-Assessment Report (SAR). The membership comprises of seven members of the Corporation and met three times during the 2023/24 academic year.

## **Statement of Corporate Governance and Internal Control - Continued**

### **Internal Control**

#### ***Scope of responsibility***

The Corporation is ultimately responsible for the College's system of internal control and for reviewing its effectiveness. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Corporation has delegated the day-to-day responsibility to the Chief Executive Principal, as Accounting Officer, for maintaining a sound system of internal control that supports the achievement of the College's policies, aims and objectives whilst safeguarding the public funds and assets for which the Chief Executive Principal is personally responsible.

This is in accordance with the assigned responsibilities within the Funding Agreement between South Staffordshire College and the funding bodies. The Chief Executive Principal is also responsible for reporting to the Corporation any material weaknesses or breakdowns in internal control.

#### ***The purpose of the system of internal control***

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of College policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in South Staffordshire College for the year ended 31 July 2024 and up to the date of approval of the annual report and accounts.

#### ***Capacity to handle risk***

The Corporation has reviewed the key risks to which the College is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Corporation is of the view that there is a formal ongoing process for identifying, evaluating and managing the College's significant risks that has been in place for the period ending 31 July 2024 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the Corporation.

#### ***The risk and control framework***

The system of internal control is based on a framework of regular management information, administration procedures including the segregation of duties, and a system of delegation and accountability. In particular, it includes:

- Comprehensive budgeting systems with an annual budget, which is reviewed and agreed by the Governing Body,
- Regular reviews by the Board of periodic and annual financial reports which indicate financial performance against forecasts,
- Setting targets to measure financial and other performance,
- Clearly defined capital investment control guidelines, and
- The adoption of formal project management disciplines, where appropriate.

South Staffordshire College has an internal audit service, which operates in accordance with the requirements of the DFE's Post 16 Audit Code of Practice. The work of the Internal Audit Service is informed by an analysis of the risks to which the College is exposed, and annual internal audit plans are based on this analysis. The analysis of risks and the internal audit plans are endorsed by the Corporation on the recommendation of the Audit Committee.

## **Statement of Corporate Governance and Internal Control - Continued**

### **Internal Control - continued**

The Head of Internal Audit (HIA) provides the Governing Body with an annual report on internal audit activity in the College which summarises all internal audits undertaken during the year. The report includes the HIA's independent opinion on the adequacy and effectiveness of the College's system of risk management, controls and governance processes.

### **Review of effectiveness**

As Accounting Officer, the Chief Executive Principal has responsibility for reviewing the effectiveness of the system of internal control. The Chief Executive Principal's review of the effectiveness of the system of internal control is informed by:

- the work of the internal auditors,
- the work of the executive managers within the College who have responsibility for the development and maintenance of the internal control framework, and
- comments made by the College's financial statements auditors, the regularity auditors, the appointed funding auditors in their management letters and other reports.

The Chief Executive Principal has been advised on the implications of the result of the review of the effectiveness of the system of internal control by the Audit Committee which oversees the work of the internal auditor and other sources of assurance, and a plan to address weaknesses and ensure continuous improvement of the system is in place.

The Senior Leadership Team receives reports setting out key performance and risk indicators and considers possible control issues brought to their attention by early warning mechanisms, which are embedded within the departments and reinforced by risk awareness training.

The Senior Leadership Team and Audit Committee also receive regular reports from the Internal Audit Service and other sources of assurance, which include recommendations for improvement. The Audit Committee's role in this area is confined to a high-level review of the arrangements for internal control. The Corporation's agenda includes a regular item for consideration of risk and control and receives reports thereon from the Executive Leadership Team and the Audit Committee. The emphasis is on obtaining the relevant degree of assurance and not merely reporting by exception. At its 16 December 2024 meeting, the Corporation carried out the annual assessment for the year ended 31 July 2024 by considering documentation from the senior team and internal audit and taking account of events since 31 July 2024.

### **Statement from the Audit Committee**

The Audit Committee has advised the Corporation on the effectiveness of the College's systems of governance, risk management and internal control prior to the approval of the College's financial statements for the year ending 31 July 2024.

The internal audit service has provided the Committee with an independent source of assurance to form a robust opinion on the College's governance, risk management and control arrangements. As such, the Committee has benefited from detailed internal audit reports submitted by the internal auditor following each internal audit together with recommendations for further improvement. Recommendations arising from the work of the internal auditors carried out have all been responded to or commented on by College management to the satisfaction of the Audit Committee. The Committee regularly reviews, at subsequent meetings, the progress made by management in implementing audit report recommendations and is able to report reasonable progress. The internal auditors will conduct a follow up review on all outstanding recommendations in the 2024/25 academic year, and any recommendations from years prior to this.

## **Statement of Corporate Governance and Internal Control - Continued**

### **Internal Control - continued**

Following the onset the COVID19 pandemic, the delivery of internal audit services had been undertaken remotely as per the 2023/24 Internal Audit Plan. The approved 2023/24 Internal Audit Plan was formulated to allow for some flexibility should any additional or unforeseen areas of internal control become apparent as the College continues its business through a fast-changing environment.

In the 2023/24 Internal Audit Annual Report, the auditor provides a formal opinion which reads as follows:

"Overall, in our opinion, based upon the reviews performed during the year, South Staffordshire College has adequate and effective risk management, adequate and effective governance and adequate and effective control processes". This represents a positive opinion on the year's internal audit work.

The College retendered its Internal Audit Service in the summer of 2023 and Validera were appointed to internally audit the College from the 2023/24 financial year for three years, extendable by two further one-year periods by agreement.

The Committee received the College's financial statements and regularity auditor's management letter for 2023/24 at its meeting on 29 November 2024.

A review of covenant arrangements that the College has in place for the year ended 31 July 2024 has been undertaken along with a review of its latest financial forecasts, which reflect the most recent financial position of the College. The College is covenant compliant for the 2023/24 and 2024/25 financial years based on the most recent forecasts. This includes the adjustments made by Barclays to their covenants to take account of Tamworth Relocation Project costs. The debt from Virgin Media was fully paid down in July 2024 and the future loan facility from the Department for Education has no financial covenants requirements.

There are no recommendations arising from the audit of the 2023/24 accounts and the two recommendations made from the prior year accounts have been fully addressed.

The Committee is aware of its responsibility to ensure the effectiveness of the Risk Management process and a report has been considered by the Committee at each meeting.

The Committee is satisfied as a result of its work, and that of the internal auditor in relation to risk management, that the College has sound risk management arrangements giving substantial assurance that the risks facing the College were identified and managed appropriately.

In accordance with guidance in the Post-16 Audit Code of Practice, a range of performance indicators for both auditors are in place. The Committee assesses the auditors' performance against these indicators and discusses with the firms any issues that are of concern. The Committee reviewed the performance of the Internal Audit Service, Validera, at their meeting on the 27<sup>th</sup> June 2024. The External Audit Service, provided by Mazars, was reviewed at the Committee at their meeting on the 13<sup>th</sup> March 2024 and the Committee were satisfied with the findings of the review.

Based on the above, the Committee's opinion is that the College does have:

- adequate and effective assurance arrangements in place;
- an adequate and effective framework of governance and risk management; and
- adequate and effective control processes for the effective and efficient use of resources, solvency of the institution and the safeguarding of its assets.

The Committee received and considered an annual report on subcontracting which confirmed that the College did not use subcontractors in 2023/24.

## Statement of Regularity, Propriety and Compliance

As Accounting Officer I confirm that the Corporation has had due regard to the framework of authorities governing regularity, priority and compliance, and the requirements of the College's accountability agreement, funding agreements and contracts with ESFA and DFE, and has considered its responsibility to notify ESFA of material irregularity, impropriety and non-compliance with those authorities and terms and conditions of funding.

I confirm on behalf of the Corporation that after due enquiry, and to the best of my knowledge, I am able to identify any material irregular or improper use of funds by the Corporation, or material non-compliance with the framework of authorities and the terms and conditions of funding under the College's accountability agreement, funding agreements and contracts with ESFA and DFE, or any other public funder. This includes the elements outlined in the "Dear accounting officer" letter of 29 November 2022 and DFE's bite size guides.

I confirm that no instances of material irregularity, impropriety, funding non-compliance, or non-compliance with the framework of authorities have been discovered to date. If any instances are identified after the date of this statement, these will be notified to ESFA.

C Boliver  
Accounting Officer

Date: 16/12/2024

## Statement of the Chair of Governors

On behalf of the Corporation, I confirm that the Accounting Officer has discussed their statement of regularity, propriety and compliance with the Board and that I am content that it is materially accurate.

M Rowley  
Chair of the Corporation

Date: 16/12/2024

## **Statement of the Responsibilities of the Members of the Corporation**

The members of the Corporation are required to present audited financial statements for each financial year.

Within the terms and conditions of the College's accountability agreement, funding agreements and contracts with ESFA and DFE, the Corporation is required to prepare financial which give a true and fair view of the financial performance and position of the Corporation for the relevant period. Corporations must also prepare a strategic report which includes an operating and financial review for the year. The bases for the preparation of the financial statements and strategic report are the Statement of Recommended Practice – Accounting for Further and Higher Education, ESFA's College Accounts Direction and the UK's Generally Accepted Accounting Practice. In preparing the financial statements, the Corporation is required to:

- select suitable accounting policies and apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- Assess whether the Corporation is a going concern, noting the key supporting assumptions, qualifications and mitigating actions, as appropriate (which must be consistent with other disclosures in the accounts and auditor's report), and
- prepare financial statements on the going concern basis unless it is inappropriate to assume that the College will continue in operation.

The Corporation is also required to prepare a Strategic Report, in accordance with paragraphs 3.23 to 3.27 of the FE and HE SORP, that describes what it is trying to do and how it is going about it, including information about the legal and administrative status of the College.

The Corporation is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the Corporation and which enable it to ensure that the financial statements are prepared in accordance with relevant legislation including the Further and Higher Education Act 1992 and Charities Act 2011, and relevant accounting standards. It is responsible for taking steps that are reasonably open to it to safeguard its assets and to prevent and detect fraud and other irregularities.

The Corporation is responsible for the maintenance and integrity of the College's website; the work carried out by auditors does not involve consideration of these matters and, accordingly, the auditors accept no responsibility for any changes that may have occurred to the financial statements since they were initially presented on the website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Members of the Corporation are responsible for ensuring that expenditure and income are applied for the purposes intended and that the financial transactions conform to the authorities that govern them. In addition, they are responsible for ensuring that funds from ESFA, DFE, and any other public funds, are used only in accordance with the accountability agreement, funding agreements and contracts and any other conditions that may be prescribed from time to time by the ESFA or any other public funder including that any transactions entered into by the Corporation are within the delegated authorities set out in the "Dear Accounting Officer" letter of 29 November 2022 and ESFA's bite size guides. Members of the Corporation must ensure that there are appropriate financial and management controls in place to safeguard public and other funds and ensure they are used properly. In addition, members of the Corporation are responsible for securing economical, efficient and effective management of the College's resources and expenditure so that the benefits that should be derived from the application of public funds from ESFA, DFE and any other public bodies are not put at risk.

Approved by order of the members of the Corporation on 16 December 2024 and signed on its behalf by:

  
M Rowley  
Chair of the Corporation

# Independent auditor's report to the members of South Staffordshire College

## Opinion

We have audited the financial statements of South Staffordshire College (the 'College') for the year ended 31 July 2024 which comprise the Statement of Comprehensive Income and Expenditure, the Statement of Changes in Reserves, the Balance Sheet, the Statement of Cashflows and notes to the financial statements, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice) and the 2019 Statement of Recommended Practice: Accounting for Further and Higher Education.

In our opinion, the financial statements:

- give a true and fair view of the state of the College's affairs as at 31 July 2024 and of its surplus of income over expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.

## Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the College in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Members of the Corporation's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the College's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Members of the Corporation with respect to going concern are described in the relevant sections of this report.

## Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Corporation is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have

performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

In light of the knowledge and understanding of the College and its environment obtained in the course of the audit, we have not identified material misstatements in the report of the Members of the Corporation and statement of corporate governance and internal control.

We have nothing to report in respect of the following matters where the Post 16 Audit Code of Practice issued by the Education and Skills Funding Agency requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of Corporation**

As explained more fully in the Statement of Responsibilities of the Members of the Corporation set out on page 26, the Corporation is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Corporation determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Corporation is responsible for assessing the College's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Corporation either intend to liquidate the College or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Based on our understanding of the College and its industry, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: compliance with the ESFA funding agreements, the OfS regulatory framework, the OFSTED regulatory framework, safeguarding, pensions legislation, employment regulation and health and safety regulation, anti-bribery, corruption and fraud, money laundering, HM Treasury's "Managing public money".

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- Inquiring of management and, where appropriate, those charged with governance, as to whether the College is in compliance with laws and regulations, and discussing their policies and procedures regarding compliance with laws and regulations;
- Inspecting correspondence, if any, with relevant licensing or regulatory authorities;
- Communicating identified laws and regulations to the engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the College which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as pension legislation.

In addition, we evaluated the Members of the Corporation and management's incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of management override of controls, and determined that the principal risks related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates, in particular in relation to revenue recognition (which we pinpointed to the cut off assertion) and significant one-off or unusual transactions.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the Members of the Corporation and management on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;
- Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### **Use of the audit report**

This report is made solely to the Corporation as a body in accordance with Article 22 of the College's Articles of Government. Our audit work has been undertaken so that we might state to the Corporation those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the College and the Corporation as a body for our audit work, for this report, or for the opinions we have formed.

Date Dec 23, 2024

## **To: The corporation of South Staffordshire College and Secretary of State for Education acting through Education and Skills Funding Agency (“ESFA”)**

In accordance with the terms of our engagement letter dated June 2024 and further to the requirements and conditions of funding in ESFA and DfE’s accountability agreements, grant funding agreements and contracts, or those of any other public funder, we have carried out an engagement to obtain limited assurance about whether anything has come to our attention that would suggest, in all material respects, the expenditure disbursed and income received by South Staffordshire College during the period 1 August 2023 to 31 July 2024 have not been applied to the purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them. The framework that has been applied is set out in the Post-16 Audit Code of Practice (the Code) issued by ESFA and in any relevant conditions of funding, concerning adult education notified by a relevant funder.

This report is made solely to the corporation of South Staffordshire College and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the corporation of South Staffordshire College and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept, or assume, responsibility to anyone other than the corporation of South Staffordshire College and ESFA for our work, for this report, or for the conclusion we have formed.

### **Respective responsibilities of South Staffordshire College and the reporting accountant**

The corporation of South Staffordshire College is responsible, under the requirements of the Further & Higher Education Act 1992, subsequent legislation and related regulations and guidance, for ensuring that expenditure disbursed, and income received, are applied for the purposes intended by Parliament, and the financial transactions conform to the authorities that govern them.

Our responsibilities for this engagement are established in the United Kingdom by the Code our profession’s ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Code. We report to you whether anything has come to our attention in carrying out our work, which suggests that in all material respects, expenditure disbursed and income received, during the period 1 August 2023 to 31 July 2024 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

### **Approach**

We conducted our engagement in accordance with the Code issued by ESFA. We performed a limited assurance engagement as defined in that framework.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the corporation’s income and expenditure.

The work undertaken to draw to our conclusion includes:

- Reviewed the statement on the College’s regularity, propriety and compliance with Funding body terms and conditions of funding.
- Reviewed the College’s completed self-assessment questionnaire on regularity.
- Read the accountability agreements, grant funding agreements and contracts with the ESFA.

- Tested a sample of expenditure disbursed and income received to consider whether they have been applied to purposes intended by Parliament and in accordance with funding agreements where relevant.
- Tested a sample of individual learner records.
- Reviewed approved policies and procedures operating during the year for each funding stream that has specific terms attached.
- Obtained the policy for personal gifts and/or hospitality.
- Obtained the register of personal interests.
- Obtained the financial regulations/financial procedures.
- Obtained the College's whistleblowing policy.
- Reviewed the College's compliance with the requirements of HM Treasury's "Managing Public Money" document.

## **Conclusion**

In the course of our work, nothing has come to our attention which suggests that in all material respects, the expenditure disbursed and income received during the period 1 August 2023 to 31 July 2024 has not been applied to purposes intended by Parliament, and that the financial transactions do not conform to the authorities that govern them.

## Notes to the Accounts

### 1. Statement of accounting policies and estimation techniques

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

#### **Basis of preparation**

These financial statements have been prepared in accordance with the *Statement of Recommended Practice: Accounting for Further and Higher Education 2019* (the 2019 FE HE SORP), the *College Accounts Direction for 2023 to 2024* and in accordance with Financial Reporting Standard 102 – “*The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland*” (FRS 102). The College is a public benefit entity and has therefore applied the relevant public benefit requirements of FRS 102.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the College's accounting policies. The College has prepared the accounts on the basis of going concern.

#### **Basis of accounting**

The financial statements are prepared in accordance with the historical cost convention as modified by the use of previous valuations as deemed cost at transition for certain non-current assets.

#### **Going concern**

The activities of the College, together with the factors likely to affect its future development and performance are set out in the Strategic Report. The financial position of the College, its cashflow, liquidity and borrowings are presented in the Financial Statements and accompanying Notes.

The going concern situation is relatively straightforward for 2023/24:

- The economic environment is less hostile with inflation falling and, in particular, energy costs reducing from the high levels seen since the Ukraine invasion in 2022. The College received additional 16-18 funding at two points in the 2023/24 financial year and it is likely that the College will receive additional 16-18 funding for in year growth in the current financial year.
- The Tamworth Relocation Project is a substantial financial undertaking, and although the funding of the project is in place the project is still the subject of programme delays and it is likely that the budget for the project will be exceeded by an amount up to £400,000. In its July 2024 financial forecast, the College modelled a sensitivity showing a £500,000 overspend on the project which had minimal impact on financial health and covenant compliance, and therefore little impact on going concern.
- College property at Rodbaston, Lichfield and TORC needs financial investment to improve run down or spatially inefficient building. All campuses are experiencing a shortage of space due to the rapid increase in 16-18 learner numbers. Much of this expenditure is already factored into medium term financial forecasts.
- The combined effects of these situations were predominantly included in the July 2024 financial forecast and therefore the College is not expecting to have any concerns around financial health or bank covenant compliance in 2023/24 or 2024/25.

However, the College is well placed to withstand these issues because:

- The College has good levels of cash and relatively low levels of borrowing at around 5.7% of income.
- The forecast for 2024/25 continues to show that, on an operating level, the College is performing well and has maintained its budget position.

## Notes to the Accounts – *Continued*

- The College is experiencing higher than expected levels of growth in 16-18 learners which will increase funding further in 2025/26, and may result in a substantial amount of in-year 16-18 funding in 2024/25. 16-18 funding is the only area of funding where there is a commitment to increase funding rates by the government.

The positive financial performance in 2023/24 allowed the College to make a good pay award to staff and allowed decisions to be made regarding the investment in upgraded networking and property improvements at Lichfield Campus as well as improving the quality of the College's IT network and hardware infrastructure. The positive financial forecasts for 2024/25 and 2025/26, which will be further boosted by the strong enrolment of 16-18 learners in 2024/25 will allow the College to invest further and remain on top of its longer-term property and equipment investment requirements. The announcement in the October 2024 Budget that an additional £300 million of revenue funding and £950 million of capital funding would be directed to the FE sector was welcome but the detail of how it is allocated to colleges will dictate how significant this will be for the College. The announcement that the increased cost of national insurance contributions will be supported by the government is also welcome news.

Therefore, at an operating level, the College is performing satisfactorily. It has good levels of cash and has an "Outstanding" financial health rating in 2023/24. At 31 July 2024 the College had not breached the financial covenants of Barclays Bank and it is not forecast that there will be any future breach. Accordingly, the College has a reasonable expectation that it has adequate resources to continue in operational existence for the foreseeable future, and for this reason will continue to adopt the going concern basis in the preparation of its Financial Statements.

### **Recognition of income**

#### ***Revenue Grant Income***

Government revenue grants include funding body recurrent grants and other grants and are accounted for under the accrual model as permitted by FRS 102. Funding body recurrent grants are measured in line with best estimates for the period of what is receivable and depend on the income stream involved.

Any under or over achievement for the Adult Education Budget is adjusted for and reflected in the level of recurrent grant recognised in the income and expenditure account. The final grant income is normally determined with the conclusion of the year end reconciliation process with the funding body following the year end, and the results of any funding audits. 16-18 learner-responsive funding is not normally subject to reconciliation and is therefore not subject to contract adjustments.

Where the College receives and disburses funds in which it has no direct beneficial interest, such funds are excluded from the income and expenditure account on the grounds that the College does not have direct control over the future economic benefits derived from these funds. The College has applied this policy to certain funds received during the year from the Education and Skills Funding Agency.

#### ***Grant Funding***

Grants (including research income) from non-government sources are recognised in income when the College is entitled to the income and performance related conditions have been met. Income received in advance of performance related conditions being met is recognised as deferred income within creditors on the balance sheet and released to income as the conditions are met.

#### ***Capital Grant Funding***

The College recognises capital grants using the accruals method, with the grant release taking place along the same timescales as the depreciation of the fixed asset which was funded by the capital grant. The College changed how it recognises capital grants in 2019/20. Until that point, capital grants received had been recognised using the performance method, where capital grants were entirely released as income at the point where the grant was spent and the funded purchase or project completed.

## Notes to the Accounts – Continued

### **Fee Income**

Income from tuition fees is stated gross of any expenditure which is not a discount and is recognised in the period for which it is received.

### **Investment Income**

All income from short-term deposits is credited to the income and expenditure account in the period in which it is earned on a receivable basis.

### **Accounting for Post-Employment Benefits**

Retirement benefits to employees of the College are principally provided by the Teachers' Pension Scheme (TPS) and the Local Government Pension Scheme (LGPS). These are defined benefit plans, which are externally funded and contracted out of the State Earnings Related Pension Scheme (SERPS). Contributions to the TPS are charged as incurred.

#### **Teachers' Pension Scheme (TPS)**

The TPS is an unfunded scheme. Contributions to the TPS are calculated so as to spread the cost of pensions over employees' working lives with the College in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by qualified actuaries on the basis of valuations using a prospective benefit method. The TPS is a multi-employer scheme and the College is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution plan and the contributions recognised as an expense in the income statement in the periods during which services are rendered by employees.

#### **Staffordshire Local Government Pension Scheme (LGPS)**

The LGPS is a funded scheme. The assets of the LGPS are measured using closing fair values. LGPS liabilities are measured using the projected unit credit method and discounted at the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit asset is also recognised in the Statement of Comprehensive Income and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial losses are recognised immediately in other recognised gains and losses. Actuarial gains cannot be recognised by the College (or the FE sector more generally) as the College has no future recourse to monetise the asset directly and therefore the long term asset is reported as a zero value asset.

### **Short term Employment benefits**

Short term employment benefits such as salaries and compensated absences (holiday pay) are recognised as an expense in the year in which the employees render service to the College. Any unused benefits are accrued and measured as the additional amount the College expects to pay as a result of the unused entitlement.

## Notes to the Accounts – Continued

### Enhanced Pensions

The actual cost of any enhanced ongoing pension to a former member of staff is paid by the College annually. An estimate of the expected future cost of any enhancement to the ongoing pension of a former member of staff is charged in full to the College's income in the year that the member of staff retires. In subsequent years a charge is made to provisions in the balance sheet using the enhanced pension spreadsheet provided by the funding bodies.

### Non-current Assets - Tangible fixed assets

Land and buildings inherited from the Local Education Authority are stated in the balance sheet at valuation on the basis of depreciated replacement cost as the open market value for existing use is not readily obtainable. The associated credit is included in the revaluation reserve. The difference between depreciation charged on the historic cost of assets and the actual charge for the year calculated on the revalued amount is released to the income and expenditure account reserve on an annual basis. Land and buildings acquired since incorporation are included in the balance sheet at cost. Freehold land is not depreciated as it is considered to have an infinite useful life. Freehold buildings are depreciated over their expected useful economic life to the College of 40-60 years.

Where parts of a fixed asset have different useful lives, they are accounted for as separate items of fixed assets.

On adoption of FRS102, the College followed the transitional provisions to retain the book value of land and buildings, which were revalued in 1996, but not to adopt a policy of revaluations of these properties in the future. These values are retained subject to the requirement to test assets for impairment in accordance with FRS102.

Where land and buildings are acquired with the aid of specific grants, they are capitalised and depreciated as above. The related grants are credited to a deferred capital grant account and are released to the income and expenditure account over the expected useful economic life of the related asset on a basis consistent with the depreciation policy. Finance costs which are directly attributable to the construction of land and buildings are not capitalised as part of the cost of those assets.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Comprehensive Income and Expenditure.

#### **Subsequent expenditure on existing fixed assets**

Where significant expenditure is incurred on tangible fixed assets after initial purchase it is charged to income in the period it is incurred, unless it increases the future benefits to the College, in which case it is capitalised and depreciated on the relevant basis.

#### **Assets under construction**

Assets under construction are accounted for at cost, based on the value of architects' certificates and other direct costs, incurred to 31 July 2024. They are not depreciated until they are brought into use. Assets under construction as 31 July 2024 included the cumulative costs to date of the Tamworth Relocation Project and the costs of the Animal T Level Centre totalling £15,020,000.

#### **Equipment**

Equipment costing less than £2,000 per individual item is recognised as expenditure in the period of acquisition unless it is part of a larger project. All other equipment is capitalised at cost.

Capitalised equipment is depreciated on a straight-line basis over its remaining useful economic life as follows:

- Computer equipment 3-5 years
- Other equipment 3-10 years

## **Notes to the Accounts – Continued**

Where equipment is acquired with specific grants, it is capitalised and depreciated in accordance with the above policy, with the related grant being credited to a deferred capital grant account and released to the income and expenditure account over the expected useful economic life of the related equipment.

### ***Borrowing costs***

Borrowing costs are recognised as expenditure in the period in which they are incurred.

### ***Leased assets***

Costs in respect of operating leases are charged on a straight-line basis over the lease term. Any lease premiums or incentives relating to leases signed after 31 August 2014 are spread over the minimum lease term. Leasing agreements which transfer to the College substantially all the benefits and risks of ownership of an asset are treated as finance leases.

Assets held under finance leases are recognised initially at the fair value of the leased asset (or, if lower, the present value of minimum lease payments) at the inception of the lease. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Assets held under finance leases are included in tangible fixed assets and depreciated and assessed for impairment losses in the same way as owned assets.

Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charges are allocated over the period of the lease in proportion to the capital element outstanding.

### ***Investments***

Fixed asset investments are carried at historical cost less any provision for impairment in their value.

Listed investments held as fixed assets or endowment assets are stated at market value. Current asset investments, which may include listed investments, are stated at the lower of their cost and net realisable value.

### ***Stocks***

Farm stocks consist of livestock and crops and have been valued by independent valuers using recognised valuation methods and included in the balance sheet at the percentages of market value as recommended by HMRC Business Income Manual (BIM55410 - Farming stock valuation IR232). The College sold the majority of its animal herds during the 2019/20 financial year as the operations of the farm at Rodbaston were outsourced.

### ***Cash and cash equivalents***

Cash includes cash in hand, deposits repayable on demand and overdrafts. Deposits are repayable on demand if they are in practice available within 24 hours without penalty.

Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash with insignificant risk of change in value. An investment qualifies as a cash equivalent when it has maturity of three months or less from the date of acquisition.

### ***Financial liabilities and equity***

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form.

All loans, investments and short term deposits held by the College are classified as basic financial instruments in accordance with FRS 102. These instruments are initially recorded at the transaction price less any transaction costs (historical cost). FRS 102 requires that basic financial instruments are subsequently measured at amortised cost, however the Group has calculated that the difference between the historical cost and amortised cost basis is not material and so these financial instruments are stated on the balance sheet at historical cost. Loans and investments that are payable or receivable within one year are not discounted.

## **Notes to the Accounts – Continued**

### **Foreign currency translation**

Transactions denominated in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the end of the financial period with all resulting exchange differences being taken to income in the period in which they arise.

### **Taxation**

The College is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the College is potentially exempt from taxation in respect of income or capital gains received within categories covered by sections 478-488 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

The College is partially exempt in respect of Value Added Tax, so that it can only recover a minor element of the VAT charged on its inputs. Irrecoverable VAT on inputs is included in the costs of such inputs and added to the cost of tangible fixed assets as appropriate, where the inputs themselves are tangible fixed assets by nature.

### **Provisions and contingent liabilities**

Provisions are recognised when the College has a present legal or constructive obligation as a result of a past event, it is probable that a transfer of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the effect of the time value of money is material, the amount expected to be required to settle the obligation is recognised at present value using a pre-tax discount rate. The unwinding of the discount is recognised as a finance cost in the statement of comprehensive income in the period it arises.

A contingent liability arises from a past event that gives the College a possible obligation whose existence will only be confirmed by the occurrence or otherwise of uncertain future events not wholly within the control of the College. Contingent liabilities also arise in circumstances where a provision would otherwise be made but either it is not probable that an outflow of resources will be required, or the amount of the obligation cannot be measured reliably.

Contingent liabilities are not recognised in the balance sheet but are disclosed in the notes to the financial statements.

### **Agency arrangements**

The College acts as an agent in the collection and payment of discretionary support funds. Related payments received from the funding bodies and subsequent disbursements to students are excluded from the income and expenditure of the College where the College is exposed to minimal risk or enjoys minimal economic benefit related to the transaction.

### **Restructuring costs**

Any costs deemed to relate to a fundamental reorganisation or restructuring which has a material effect on the nature and future of the College's operations are disclosed on the face of the Income and Expenditure account after the operating surplus or deficit in accordance with FRS 102.

### **Judgements in applying accounting policies and key sources of estimation uncertainty**

In preparing these financial statements, management have made the following judgements:

- Determine if the College will go ahead with its investment in the Tamworth Relocation Project and the impact on finances and covenants/debt, particularly with the backdrop of reclassification of colleges as public sector bodies.
- Determine if the College would recognise its LGPS pension asset.

## Notes to the Accounts – Continued

- Determine whether leases entered into by the College either as a lessor or a lessee are operating or finance leases. These decisions depend on an assessment of whether the risks and rewards of ownership have been transferred from the lessor to the lessee on a lease by lease basis.
- Determine whether there are indicators of impairment of the group's tangible assets, including goodwill. Factors taken into consideration in reaching such a decision include the economic viability and expected future financial performance of the asset and where it is a component of a larger cash-generating unit, the viability and expected future performance of that unit.

### Other key sources of estimation uncertainty

- *Tangible fixed assets*

Tangible fixed assets, other than investment properties, are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In re-assessing asset lives, factors such as technological innovation and maintenance programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.

- *Bad Debt Provision*

The College holds a bad debt provision of £41,500 which has been calculated to cover the financial risks within the debtors' ledger. The College has a variety of debtors including student fees, travel fees and commercial income. The College regularly reviews debtor levels and writes off income where the debts are not thought to be commercially viable to chase.

- *DFE Clawbacks*

The College anticipates that some funding streams will be subject to clawback for the 2023/24 financial year. The College achieved around 92% of its DFE Adult Education Budget target and as such will need to repay an amount totalling around (£104,000) including £9,000 of additional funding for its Free Courses for Jobs allocation. 16-19 funding was met during the financial year and apprenticeship funding is paid on funding generated (£2,492,000).

- *Local Government Pension Scheme*

The present value of the Local Government Pension Scheme defined benefit asset/liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 23, will impact the carrying amount of the pension asset/liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2022 has been used by the actuary in valuing the pensions asset/liability at 31 July 2024. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension asset/liability.

As the present value of the defined benefit obligation at the reporting date is less than the fair value of plan assets at that date, the plan has a notional surplus. As management do not consider that the College will be able to recover the surplus either through reduced contributions in the future or through refunds from the plan, the surplus has not been recognised in these financial statements in line with paragraph 28.22 of FRS102.

2 Funding council grants	Year ended	
	2024	2023
	£'000	£'000
Recurrent grants

<b>Total staff costs</b>	<b>22,002</b>	<b>19,413</b>
	2024	2023
	£'000s	£'000s
*Other pension costs include FRS102 (Section 28) adjustment	198	418

The College paid 1 severance payment during the financial year, disclosed in the following bands:

	2024	2023
	No.	No.
£0 to £25,000	1	3

### Key management personnel

Key management personnel are those persons in Executive Leadership Team having authority and responsibility for planning, directing and controlling the activities of the College and are represented by the College Executive Leadership Team which currently comprises the Chief Executive Principal, Deputy Chief Executive, Deputy Principal Finance & Resources, Assistant Principal Quality & Curriculum, Assistant Principal Learner Services and Assistant Principal Human Resources. Staff costs include compensation paid to key management personnel for loss of office. Not all of these personnel were in post for the full financial year.

## Notes to the Accounts – Continued

### 7 Staff Costs - continued

	2024	2023
	No.	No.
The number of key management personnel including the Accounting Officer was:	6	6

The governing body adopted the AoC's Senior Staff Remuneration Code in July 2019 and assesses pay in line with its principles. The remuneration package of senior post holders, including the Principal and Chief Executive, is subject to annual review by the Remuneration Committee of the governing body who use benchmarking information to provide objective guidance. The Principal and Chief Executive reports to the Chair of Corporation, who undertakes an annual review of her performance against the college's overall objectives using both qualitative and quantitative measures of performance.

The number of key management personnel and other staff who received annual emoluments, excluding pension contributions but including benefits in kind, in the following ranges was:

	Key management personnel		Other staff	
	2024	2023	2024	2023
	No.	No.	No.	No.
£60,001 to £65,000 p.a.	-	-	1	2
£65,001 to £70,000 p.a.	-	-	1	2
£70,000 to £75,000 p.a.	-	2	1	-
£75,000 to £80,000 p.a.	1	-	-	-
£80,001 to £85,000 p.a.	1	1	-	-
£85,001 to £90,000 p.a.	1	-	-	-
£100,000 to £105,000 p.a.	-	2	-	-
£105,000 to £110,000 p.a.	1	-	-	-
£110,000 to £115,000 p.a.	1	-	-	-
£155,001 to £160,000 p.a.	-	1	-	-
£170,001 to £175,000 p.a.	1	-	-	-
	6	6	3	4

Key management personnel compensation is made up as follows:	2024	2023
	£'000	£'000
Salaries	631	591
Employers National Insurance	80	76
Benefits in kind	14	9
	725	676
Pension contributions	80	140
<b>Total key management personnel compensation</b>	<b>805</b>	<b>816</b>

There were no amounts due to key management personnel that were waived in the year, nor any salary sacrifice arrangements in place. One member of "Other Staff" earned less than £60,000 but would have earned more than £60,000 on a full time equivalent basis.

The above compensation includes amounts payable to the Accounting Officer (who is also the highest paid officer). The salary of the Accounting Officer is set based on available benchmarking data for the FE sector and market rate for the geographical area. Total Accounting Officer pay is summarised below:

## Notes to the Accounts – *Continued*

### 7 Staff Costs - *continued*

	2024	2023
	£'000	£'000
Salaries	168	158
Benefits in kind	4	3
	172	161
Pension contributions	42	37
<b>Median Salary</b>	<b>2024</b>	<b>2023</b>
Accounting Officers basic salary as a multiple of the median of all staff	6.07	6.32
Accounting Officers total remuneration as a multiple of the median of all staff	8.36	8.24

The median calculation is made by taking salary costs in August and September, ranking the costs in value order and then picking a median to compare to the salary of the Principal Chief Executive.

The members of the Corporation other than the Accounting Officer and the staff member did not receive any payment from the institution other than the reimbursement of travel and subsistence expenses incurred in the course of their duties.

### 8 Operating costs

	Year ended	
	2024	2023
	£'000	£'000
Teaching costs	2,390	2,185
Non teaching costs	2,123	2,070
Premises costs	2,819	2,492
<b>Total costs</b>	<b>7,332</b>	<b>6,747</b>

#### Other operating costs include:

	Year ended	
	2024	2023
	£'000	£'000
Auditor remuneration	44	42
Financial statements audit	16	10
Internal audit	3	3
Other services provided by the external auditors	179	137
Hire of assets under operating leases	179	137

## Notes to the Accounts – *Continued*

### 9 Interest and other finance costs

	Year ended	
	2024	2023
	£'000	£'000
On bank loans, overdrafts and other loans:	131	171
<b>Total</b>	<b>131</b>	<b>171</b>

### 10 Taxation

The members do not believe that the College was liable for any corporation tax arising out of its activities in either year.

### 11 Tangible fixed assets

	Land and buildings	Computer Equipment	Other Equipment	Assets under Construction	Total
	£'000	£'000	£'000	£'000	£'000
<b>Cost or valuation</b>					
At 1 August 2023	39,086	6,537	10,531	4,568	60,722
Additions	456	745	365	11,444	13,010
Disposal of assets	(425)	(11)	(117)	-	(553)
<b>At 31 July 2024</b>	<b>39,117</b>	<b>7,271</b>	<b>10,779</b>	<b>16,012</b>	<b>73,179</b>
<b>Depreciation</b>					
At 1 August 2023	19,436	5,867	7,852	-	33,155
Charge for the year	807	679	467	-	1,953
Elimination in respect of disposals	(328)	(11)	(105)	-	(444)
<b>At 31 July 2024</b>	<b>19,915</b>	<b>6,535</b>	<b>8,214</b>	<b>-</b>	<b>34,664</b>
<b>Net book value at 31 July 2024</b>	<b>19,202</b>	<b>736</b>	<b>2,565</b>	<b>16,012</b>	<b>38,515</b>
Net book value at 31 July 2023	19,650	670	2,679	4,568	27,567

The transitional rules set out in FRS 102 have been applied. Accordingly, the book values at implementation have been retained.

Land and Buildings were valued for the purpose of the 1994 financial statements at depreciated replacement cost by a firm of independent Chartered Surveyors in accordance with the RICS Statement of Asset Valuation Practice and Guidance notes. Other tangible fixed assets inherited from the local education authority at incorporation have been valued by the Corporation on a depreciated replacement cost basis with the assistance of independent professional advice.

Land and Buildings includes the cost of the Staffordshire University Lichfield Centre Project, which commenced in 1997 and was completed in 2006. The Project spanned a number of phases and was partly grant funded, and partly funded by a loan jointly repayable by the College and Staffordshire University.

## Notes to the Accounts – Continued

### 12 Investments

	2024	2023
	£'000	£'000
Non-current investments – other	5,025	5,039

The College invested £5,000,000 of cash in medium term deposits which was derived from the sales proceeds for the Tamworth Campus.

The College owns shares valued at £25,000 (2022/2023: £39,000). These shares were valued at the closing market price as at 31 July 2024. These shares are not listed and their valuation is based on an annual valuation statement.

### 13 Trade and other receivables

	2024	2023
	£'000	£'000
Trade receivables	287	677
Prepayments and accrued income	3,977	1,624
Amounts owed by the DFE	350	444
<b>Total</b>	<b>4,614</b>	<b>2,745</b>

### 14 Creditors: amounts falling due within one year

	2024	2023
	£'000	£'000
Bank loans and overdrafts	179	374
Trade payables	366	1,050
Other taxation and social security	805	720
Accruals and deferred income	2,225	2,267
Amounts owed to the DFE	755	890
Deferred capital grants	835	695
Other creditors	1,777	1,005
<b>Total</b>	<b>6,942</b>	<b>7,001</b>

### 15 Creditors: amounts falling due after more than one year

	2024	2023
	£'000	£'000
Bank loans and overdrafts	1,002	1,181
Deferred capital grants	25,965	14,057
<b>Total</b>	<b>26,967</b>	<b>15,238</b>

## Notes to the Accounts – *Continued*

### 16 Maturity of debt

#### (a) Bank loans and overdrafts

Bank loans and overdrafts are repayable as follows:

	2024	2023
	£'000	£'000
In one year or less	179	374
Between one and two years	186	179
Between two and five years	600	579
In five years or more	216	423
<b>Total</b>	<b>1,181</b>	<b>1,555</b>

	At 1 Aug 2023	Cash flows	Other changes	At 31 July 2024
	£'000	£'000	£'000	£'000
Cash and cash equivalents	6,429	680	-	7,109
<b>Total</b>	<b>6,429</b>	<b>680</b>	<b>-</b>	<b>7,109</b>

Total debt is shared between two providers as detailed below:

Amount (£)	Bank	Start date	Expiry date	Term in years	Rate
2,000,000	Barclays Bank PLC	30/06/06	28/06/30	25	Variable
1,500,000	Barclays Bank PLC	31/07/08	30/06/30	22	Variable

Bank	Security
Barclays Bank PLC	Rodbaston Campus

## Notes to the Accounts – Continued

### 17 Provisions

	<b>Defined benefit asset</b>
	<b>£'000</b>
At 1 August 2023	-
Expenditure in the period	1,666
Transferred from income and expenditure account	(636)
Actuarial loss	(1,030)
<b>At 31 July 2024</b>	<b>-</b>

Defined benefit assets relate to the assets under the College's membership of the Local Government pension Scheme. Further details are given in Note 23.

### 18 Analysis of Net Debt

	<b>At 31 July 2023</b>	<b>Cash flows</b>	<b>Other changes</b>	<b>At 31 July 2024</b>
	<b>£'000</b>	<b>£'000</b>	<b>£'000</b>	<b>£'000</b>
Cash and cash equivalents	6,429	680	-	7,109
Bank Loans due in less than one year	(374)	195	-	(179)
Bank Loans due in less than five years	(758)	(244)	-	(1,002)
Bank Loans due after five years	(423)	423	-	-
<b>Total</b>	<b>4,874</b>	<b>1,054</b>	<b>-</b>	<b>5,928</b>

### 19 Capital and other commitments

	<b>2024</b>	<b>2023</b>
	<b>£'000</b>	<b>£'000</b>
Commitments contracted for at 31 July		
Tamworth Relocation Project	14,278	21,709
Animal Care T Level Building (Rodbaston)	891	-
	<b>15,169</b>	<b>21,709</b>

The capital commitment consists of the remaining contracted construction costs for the new Tamworth Campus building currently under construction in Tamworth town centre and the new T Level Animal Care building which is under construction at the Rodbaston Campus.

### 20 Lease obligations

At 31 July the College had three leases relating to the TORC campus under a non-cancellable operating lease, a vehicle lease and a kitchen equipment lease as follows:

	<b>2024</b>	<b>2023</b>
	<b>£'000</b>	<b>£'000</b>
Future minimum lease payments due		
Land and buildings		
Not later than one year	-	130
	<b>-</b>	<b>130</b>

## Notes to the Accounts – Continued

### 20 Lease Obligations - continued

#### Other

Not later than one year	18	15
Later than one year and not later than five years	48	69
Later than five years	-	-
	66	84

### 21 Contingent liabilities

There are no contingent liabilities.

### 22 Events after the reporting period

The College enrolled 3,398 funded 16-18 learners between August and October 2024, which is 410 learners more than the DFE allocation of 2,988 learners. The lagged learner funding model means that these learners will be fully funded in the subsequent financial year (2025/26). College forecasts submitted in July 2024 were based on growth of 95 learners.

The College drew down a £1,500,000 DFE capital loan in November 2024 which has been arranged to support the development costs of the new Tamworth Campus.

### 23 Defined benefit obligations

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest formal actuarial valuation of the TPS was 31 March 2020 and of the LGPS 31 March 2022.

#### Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. These regulations apply to teachers in schools, colleges and other educational establishments. Membership is automatic for teachers and lecturers at eligible institutions. Teachers and lecturers are able to opt out of the TPS.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions, along with those made by employers, are credited to the Exchequer under arrangements governed by the above Act. Retirement and other pension benefits are paid by public funds provided by Parliament.

Under the definitions set out in FRS 102 (28.11), the TPS is a multi-employer pension plan. The College is unable to identify its share of the underlying assets and liabilities of the plan.

Accordingly, the College has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined-contribution plan. The College has set out above the information available on the plan and the implications for the College in terms of the anticipated contribution rates

The valuation of the TPS is carried out in line with regulations made under the Public Service Pension Act 2013. Valuations credit the teachers' pension account with a real rate of return assuming funds are invested in notional investments that produce that real rate of return.

The latest actuarial review of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education (the Department) in October 2023. The valuation reported total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262 billion, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222 billion giving a notional past service deficit of £40 billion (compared to £16 billion at the 2016 valuation).

## Notes to the Accounts – Continued

### 23 Defined benefit obligations - continued

As a result the employer contribution rates will increase from 23.68% of pensionable pay to 28.68% of pensionable pay in April 2024. The DfE agreed to pay a teacher pension employer contribution grant to cover the additional costs during the 2022/23 and 2023/24 academic years and this will continue until March 2025.

A full copy of the valuation report and supporting documentation can be found on the Teachers' Pension Scheme website. The pension costs paid to TPS in the year amounted to £2,697,000 (2022/23: £2,038,000).

#### Local Government Pension Scheme

The LGPS is a funded defined-benefit plan, with the assets held in separate funds administered by Staffordshire County Council Local Authority. The total contributions made for the year ended 31 July 2024 were £2,109,000, of which employer's contributions totalled £1,666,000 and employees' contributions totalled £443,000. The agreed contribution rates for future years are 21.9% for employers dropping to 20.9% in April 2025 and range from 5.5% to 12.5% for employees, depending on salary according to a national scale.

The approach taken by the College to address its defined pension deficit is to take the lead from the Local Authority and its actuaries, as the experts in the field. The College pays the required contribution rates on the understanding that actuarial calculations will ensure that the notional pension deficit remains manageable and allows the College to contribute its fair share into the overall scheme. The College has no plans to make any lump sum payments to the scheme. The provision of security in the form of a College campus is not feasible as all owned campuses are currently used as security for the College's various lenders.

#### Principal Actuarial Assumptions

The following information is based upon a full actuarial valuation of the fund at 31 March 2022 updated to 31 July 2024 by a qualified independent actuary.

	At 31 July 2024	At 31 July 2023
Rate of increase in salaries	3.25%	3.50%
Future pensions increases	2.75%	3.00%
Discount rate for scheme liabilities	5.00%	5.05%
Inflation assumption (CPI)	2.75%	3.00%
Commutation of pensions to lump sum (pre-April 2008 service)	50%	50%
Commutation of pensions to lump sum (post-April 2008 service)	75%	75%

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	At 31 July 2024 years	At 31 July 2023 years
<i>Retiring today</i>		
Males	20.2	20.2
Females	24.0	24.1
<i>Retiring in 20 years</i>		
Males	21.6	21.7
Females	25.3	25.4

## Notes to the Accounts – Continued

### 23 Defined benefit obligations - continued

#### Sensitivity analysis

	Approximate decrease to defined benefit surplus	Approximate Monetary increase £'000
0.1% decrease in Real Discount rate	2%	908
1 year increase in member life expectancy	4%	1,940
0.1% increase in the Salary Increase rate	0%	17
0.1% increase in the Pension Increase Rate (CPI)	2%	910

The College's share of the assets in the plan at the balance sheet date and the expected rates of return were:

	Long-term rate of return expected at 31 July 2024	Fair Value at 31 July 2024	Long-term rate of return expected at 31 July 2023	Fair Value at 31 July 2023
		£'000		£'000
Equity instruments	5.0%	44,451	5.0%	42,076
Bonds	5.0%	18,753	5.0%	14,232
Property	5.0%	4,861	5.0%	4,331
Cash	5.0%	1,389	5.0%	1,238
<b>Total</b>		<b>69,454</b>		<b>61,877</b>
Weighted average expected long term rate of return at 31 July 2024			5.00%	5.05%
			2024	2023
			£'000	£'000
Actual return on plan assets			3,732	1,290

The amount included in the balance sheet in respect of the defined benefit pension plan and enhanced pensions benefits is as follows:

	2024	2023
	£'000	£'000
Fair value of plan assets	69,454	61,877
Present value of plan liabilities	(48,264)	(45,751)
Present value of unfunded liabilities	(245)	(249)
<b>Net pensions asset</b>	<b>20,945</b>	<b>15,877</b>
Less notional surplus not recognised	(20,945)	(15,877)
<b>Net pensions asset as recognised in these financial statements</b>	<b>-</b>	<b>-</b>

## Notes to the Accounts – Continued

### 23 Defined benefit obligations - continued

As the present value of the defined benefit obligation at the reporting date is less than the fair value of plan assets at that date, the plan has a notional surplus. As management do not consider that the College will be able to recover the surplus either through reduced contributions in the future or through refunds from the plan, the surplus has not been recognised in these financial statements in line with paragraph 28.22 of FRS102.

Amounts recognised in the Statement of Comprehensive Income in respect of the plan are as follows:

	2024	2023
	£'000	£'000
<b>Amounts included in staff costs</b>		
Current service cost	1,443	1,881
Past service cost	-	-
<b>Total</b>	<u>1,443</u>	<u>1,881</u>
<b>Amounts included in investment income</b>		
Net interest income	807	325
	<u>807</u>	<u>325</u>
<b>Amount recognised in Other Comprehensive Income</b>		
Return/(loss) on pension plan assets	3,732	(890)
Experience losses arising on defined benefit obligations	(1,645)	(6,076)
Changes in assumptions underlying the present value of plan liabilities	1,951	13,438
<b>Amount recognised in Other Comprehensive Income</b>	<u>4,038</u>	<u>6,472</u>
Less notional surplus not recognised in current year	(5,068)	(6,402)
<b>Amount recognised in Other Comprehensive Income in these financial statements</b>	<u>(1,030)</u>	<u>70</u>

The other financial and demographic assumptions adopted to calculate the past service cost are the same as those used to calculate the overall scheme liability. Adopting different assumptions or making other adjustments to reflect behavioural changes stemming from the judgment, would be expected to change the disclosed past service cost. Similarly, allowing for variations in individual members' future service or salary progression is expected to produce higher costs. The past service cost is particularly sensitive to the difference between assumed long term general pay growth and the CPI. If the long term salary growth assumptions were 0.5% pa lower, then the past service cost disclosed here would be expected to reduce by 50% and conversely a 0.5% pa increase would increase the estimated cost by 65%.

#### Movement in net defined benefit asset during the year:

	2024	2023
	£'000	£'000
Asset in scheme at 1 August	-	-
Movement in year:		
Current service cost	(1,443)	(1,881)
Employer contributions	1,641	1,463
Unfunded benefit contributions	25	23
Net interest on the defined asset	807	325
Actuarial gain	4,038	6,472
Less notional surplus not recognised	(5,068)	(6,402)
<b>Net pensions asset (Note 23)</b>	<u>-</u>	<u>-</u>

## Notes to the Accounts – Continued

### 23 Defined benefit obligations – *continued*

#### Asset and Liability Reconciliation

	2024	2023
	£'000	£'000
<b>Changes in the present value of defined benefit obligations</b>		
Defined benefit obligations at start of period	46,000	52,624
Current service cost	1,443	1,881
Interest cost	2,335	1,855
Contributions by Scheme participants	443	376
Experience gains and losses on defined benefit obligations	1,645	4,124
Changes in financial assumptions	(1,854)	(13,099)
Estimated benefits paid	(1,381)	(1,399)
Estimated unfunded benefits paid	(25)	(23)
Changes to demographic assumptions	(97)	(339)
<b>Defined benefit obligations at end of period</b>	<b>48,509</b>	<b>46,000</b>

#### Changes in fair value of plan assets

Fair value of plan assets at start of period	61,877	62,099
Interest on plan assets	3,142	2,180
Return on plan assets	3,732	(890)
Employer contributions	1,666	1,486
Contributions by Scheme participants	443	376
Unfunded benefits paid	(25)	(23)
Estimated benefits paid	(1,381)	(1,399)
Other experience on obligations	-	(1,952)
<b>Fair value of plan assets at end of period</b>	<b>69,454</b>	<b>61,877</b>

In June 2023 the High Court ruled in the case of Virgin Media Limited v NTL Pension Trustees. The ruling was that certain pension scheme rule amendments were invalid if they were not accompanied by the correct actuarial confirmation.

This High Court ruling was appealed. In a judgment delivered on 25 July 2024, the Court of Appeal unanimously upheld the decision of the High Court.

At the date of approval of these financial statements, while it is known there is potential for additional pension liabilities to be recognised as a result of this ruling, the impact in monetary terms is not known and it is reasonable to form the view that it cannot be reasonably estimated. Accordingly, no adjustments to reflect the impact of the ruling have been made in these financial statements.

The Corporation will continue to monitor the developments and consider the impact on the LGPS liabilities recognised by the College.

## Notes to the Accounts – *Continued*

### 24 Related party transactions

Owing to the nature of the College's operations and the composition of the Board of Governors being drawn from local public and private sector organisations, it is inevitable that transactions will take place with organisations in which a member of the board of governors may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the College's financial regulations and normal procurement procedures.

The total expenses paid to or on behalf of the Governors during the year was £332.10 (2022/23: £260.76). This represents travel and subsistence expenses and other out of pocket expenses incurred in attending Governor meetings and charity events in their official capacity.

No Governor has received any remuneration or waived payments from the College or its subsidiaries during the year (2022/23: £Nil).

### 25 Amounts disbursed as agent

Learner Support Grants	2024 £'000	2023 £'000
Funding body grants – bursary support	65	60
Funding body grants – discretionary learner support	806	720
Funding body grants – residential bursaries	-	-
Other Funding body grants	-	-
Interest earned	-	-
	<u>871</u>	<u>780</u>
Disbursed to students	(757)	(669)
Administration costs	(38)	(34)
<b>Balance unspent as at 31 July, included in creditors</b>	<u><u>76</u></u>	<u><u>77</u></u>

Funding body grants are available solely for students. In the majority of instances, the College only acts as a paying agent. In these circumstances, the grants and related disbursements are therefore excluded from the Statement of Comprehensive Income.

Dear Helen Knowles

### **South Staffordshire College - Audit for year ended 31 July 2024**

This representation letter is provided in connection with your audit of the financial statements of South Staffordshire College for the year ended 31 July 2024 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with relevant legislation, the Statement of Recommended Practice: Accounting for Further and Higher Education 2019 and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

We confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy ourselves that we can properly make each of the following representations to you.

#### **Our responsibility for the financial statements and accounting information**

We believe that we have fulfilled our responsibilities for the true and fair presentation and preparation of the financial statements in accordance with relevant legislation, the Statement of Recommended Practice: Accounting for Further and Higher Education 2019 and United Kingdom Accounting Standards.

#### **Our responsibility to provide and disclose relevant information**

We have provided you with:

- access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- additional information that you have requested from us for the purpose of the audit; and
- unrestricted access to individuals within the College you determined it was necessary to contact in order to obtain audit evidence.

We confirm as Members of the Corporation that we have taken all the necessary steps to make us aware, as Members of the Corporation, of any relevant audit information and to establish that you, as auditors, are aware of this information.

As far as we are aware there is no relevant audit information of which you, as auditors, are unaware.

#### **Accounting records**

We confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all management meetings, have been made available to you in accordance.

## **Accounting policies**

We confirm that we have reviewed the accounting policies applied during the year in accordance with Section 10 of Financial Reporting Standard 102 and the Statement of Recommended Practice: Accounting for Further and Higher Education 2019 and consider these policies appropriate to faithfully represent the effects of transactions, other events or conditions on the College's financial position, financial performance and cash flows.

## **Accounting estimates**

We confirm that the methods, significant assumptions and the data used in making the accounting estimates are appropriate to achieve recognition, measurement or disclosure that is in accordance with the applicable financial reporting framework.

## **Contingencies**

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the College have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with relevant legislation and United Kingdom Accounting Standards.

## **Laws and regulations**

We confirm that we have disclosed to you all those events of which we are aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

## **Fraud and error**

We acknowledge our responsibility as the Corporation, for the design, implementation and maintenance of internal control to prevent and detect fraud and error and we believe we have appropriately fulfilled those responsibilities.

We have disclosed to you:

- all the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the entity involving:
  - management and those charged with governance;
  - employees who have significant roles in internal control; and
  - others where fraud could have a material effect on the financial statements.

We have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, analysts, regulators or others.

### **Related party transactions**

We confirm that all related party relationships, transactions and balances, (including sales, purchases, loans, transfers, leasing arrangements and guarantees) have been appropriately accounted for and disclosed in accordance with the requirements of the relevant legislation and United Kingdom Accounting Standards.

We have disclosed to you the identity of the College's related parties and all related party relationships and transactions of which we are aware.

### **Impairment review**

To the best of our knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the fixed assets carrying value at the balance sheet date. An impairment review is therefore not considered necessary.

### **Charges on assets**

All the College's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

### **Future commitments**

We have no plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

### **Subsequent events**

We confirm all events subsequent to the date of the financial statements and for the Statement of Recommended Practice: Accounting for Further and Higher Education 2019 and relevant legislation and United Kingdom Accounting Standards require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, we will advise you accordingly.

### **Going concern**

To the best of our knowledge there is nothing to indicate that the College will not continue as a going concern in the foreseeable future. The period to which we have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

### **Unadjusted misstatements**

We confirm that the effects of the unadjusted misstatements are immaterial, both individually and in aggregate, to the financial statements as a whole. A list of the unadjusted misstatements is attached to this letter as an Appendix.

Yours sincerely,

Claire Boliver

Chief Executive Principal

16<sup>th</sup> December 2024

Dear Helen Knowles

**South Staffordshire College (“the College”) - Regularity Assurance Engagement for the period ended 31 July 2024 – Letter of representation**

We confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, of inspection of supporting documentation) sufficient to satisfy ourselves that we can properly make each of the following representations to you.

1. We acknowledge as governors our responsibility under the requirements of the Further and Higher Education Act 1992, subsequent legislation and related regulations, for ensuring that expenditure (disbursed) and income (received) is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them. All records and related information have been made available to you for the purposes of your assurance engagement.
2. We are not aware of any irregularities, including fraud, or possible non-compliance with laws and regulations or the funding agreement which might result in the College suffering penalties or other loss. Nor are we aware of any allegations of such irregularities or non-compliance.
3. We are not aware of any instances of non-compliance with HM Treasury’s “Managing Public Money”
4. The College has given no guarantees, letters of comfort, or indemnities that would incur contingent liabilities for the College.
5. The College has made no use of funds for political or campaigning purposes that would not be permitted by charity law.
6. The College has not undertaken any fundraising activities that are restricted by the Charity Commission under publication CC20.
7. The College is not aware of any whistleblowing allegations or investigations.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Claire Boliver', is written over a horizontal line.

Date:

Claire Boliver, Chief Executive Principal  
Signed for on behalf of South Staffordshire College
